Established in 2015, the Oracle Schools Foundation, with the help of our generous supporters, has been the primary funder of OSD's kindergarten prep (preschool) program. Recently awarded a five-star rating by Quality First, this program is vital to preparing our youngest students for their educational journeys. Full-day kindergarten is an important second step in that journey, and thanks to District voters, is funded locally in the form of an Override. District statistics show that students attending these programs perform better in later grades. On November 7th, we will be asked to approve an override continuation. Voting YES for this proposition will not increase your taxes, it will continue the taxes we already pay. In addition to full-day kindergarten, other programs and reasonable class sizes are at stake, as well as competitive salaries for our teachers. Adequate investments in education help ensure productive citizens and more healthy communities. They pay back over a lifetime through cost avoidance and increased tax revenue. Please join us in voting YES for the Oracle School District's override continuation this November.
