Dear Fellow Casa Grande Citizens,
As your elected Mayor serving our Casa Grande community, I am asking for your support in voting "YES" for our elementary and high school districts override ballot questions.
Our local educators face many challenges as they work hard to support our families and ensure each student receives a rich education. As a community leader, I have helped partner with our local schools to ensure they are a source of community pride.
A quality education system is key to our workforce development and ultimately to our thriving community. It helps provide all our citizens with a fulfilling quality of life. We cannot afford a financial hit to our schools that would drastically reduce services, staff, and salaries.
Please help me support our schools and their efforts to educate, mentor and guide our students. These efforts will help our community to be a better place to live, work and play. Please vote " YES" for our Schools.
Thank you for being an engaged citizen and for all you do to support our schools and our thriving community.
Craig H. McFarland
Mayor City of Casa Grande
