Dear Friends,

My life has been blessed with family, friends, and an NFL Football Career playing in Denver and New England. When my career ended playing and coaching football, I returned home to Casa Grande to serve the community that provided me so much growing up on Brown Street.

I am asking you to vote "YES" on the CG school overrides so my colleagues and I have the tools necessary to do our mission of educating our students.

The community embraced and supported me in achieving my hopes and dreams, and I am asking that we embrace the talent I have worked with at Villago Middle School and now back at Casa Grande Union High School.

I achieved my most incredible athletic thrill when CG Union won the State Football Championship. This championship would not have been possible without the generosity of our citizens in supporting our schools to ensure that our K-12 students have the tools to achieve in the classroom and the extracurricular arena.

After winning the championship, I could have ridden off into the sunset. But I returned because I wanted to pay it forward to our next generation. Please support our community and vote "YES."
